

Quinta do Judeu Reserva White

Quinta do Judeu top white wine comes from Quinta do Judeu Canelas octagenary vineyard which lends it a structure that only very old vines can give due to its very small production per plant. The acidity and the structure of Quinta do do Judeu white give it an amazing ageing capacity, developing new flavours and aromas all over the years. The predominance of Malvasia Fina and Rabigato varieties offers an impressive aromatic richness and freshness which are expected from a top white wine.
